

REQUEST FOR A POINT FOR DANCE TECHNIQUE CLASS

A Barnard student may receive a point for a dance technique class if she has completed her physical education (PE) requirement*, or if she is completing the requirement with a class being taken concurrently. Students may receive up to 6 points for dance technique classes (Dance majors have no limit on points). A student may not receive credit for the same level (e.g., Modern III) more than twice, and may not receive credit for a lower level after receiving credit for a higher level (e.g., no credit for Modern IV if credit has been granted for Modern V).

***PHYSICAL EDUCATION REQUIREMENT:** First-year students (and transfer students with fewer than 24 transfer points) must complete one semester of physical education by the end of the first year and two semesters by the end of the second year. Transfers entering with 24 points or more must take one semester of physical education, if they did not have two comparable courses at their previous college, and are expected to fulfill that requirement by the end of the junior year. **Students who entered in fall 2003 or thereafter** receive 1 point of credit for one course in PE or dance technique in each of two semesters, to fulfill the PE requirement (transfers receive 1 point). To receive additional credit for dance technique, those students are subject to the policy explained above.
